We were also happy and couldn't wait to meet our Romanian partners.</p> <p>The journey was really long and tiring, but we were all very excited when we arrived, at last, in Hunedoara.</p> <p>Everyone went to their partner's home, where we met our host families.</p>	<p>Everyone was excited because of our Italian friends' arrival.</p> <p>The bus arrived and we took them to their new homes.</p> <p>All of them were tired, but some of them wanted to have a tour of the town.</p> <p>Until we went to bed, we talked a little bit about each other.</p>

Italians' impressions	Romanians' impressions
<p>Tuesday was our second day in Romania. In the morning, at school, we presented the two cities: Pescara and Hunedoara.</p> <p>In the afternoon we went to Deva by bus and we got to the fortress (which was amazing!) by a cable car because it is on the top of a hill. Then we went to Deva's shopping centre where we had lunch and went for a walk.</p> <p>When we returned to Hunedoara we had dinner with our host families and then went out for a drink. We had a lot of fun TOGETHER!!!</p>	<p>The day started with each country presenting their region. We saw amazing photos from Pescara that made us really excited about the trip we're going to have there.</p> <p>Afterwards, we went to Deva, by bus, to visit the fortress. The view from there was breath-taking.</p> <p>The weather was lovely, we took a lot of photos, and had fun.</p> <p>We were tired and hungry after the visit, so the trip to the mall came at the right time. We had something to eat, we "rested" by going to the stores, and had a good time.</p>

Schedule

- 8.00-10.00 Presentation of the two regions: Hunedoara and Pescara

<p>We went to Alba Iulia to visit the Fortress and we were impressed! We also had a walk around and had an ice-cream.</p> <p>It was a sunny day. We visited an Orthodox Cathedral too and we liked it very much. That church was very different from ours; it's interesting to see new things. Then we went into a stable where the horses for the parade of the changing of the guards are kept and some of us mounted one of the horses. It was very funny.</p> <p>Then we went to have lunch at a mall. At about 5 pm we came back to Hunedoara for a surprise party for Federico's sixteenth birthday and tasted a typical delicious Romanian cake.
