

## ENSEMBLE Project

Press Release # 1 – 10 December 2017

### In Brussels for the kick-off meeting of ENSEMBLE, an Erasmus+ Project

Ial fvg travelled to Brussels on December 6 and 7 for the kick-off meeting of the project Expectations and Non-formal Skills to Empower Migrants and Boost Local Economy (ENSEMBLE), co-funded by the Erasmus Plus Programme of the European Commission.

Ensemble aims to map training needs and develop innovative tools to improve the skills of migrants in Key Competence 7 “Sense of initiative and entrepreneurship” in three fields: Tourism/Catering, Manufacturing, Constructions, involving directly 200 migrants and 150 educators at VET level.

The 7 partners from 5 countries jumpstarted project implementation by planning activities of Intellectual Output 2 – Report on needs and learning dynamics. In addition, partners discussed the details of Intellectual Output 3 on the Ensemble Innovative NFIL mechanism prototype.

IAL FVG will coordinate the WP3 in charge of developing the ENSEMBLE Mechanism which will be composed of 3 instruments: a cross-cultural alignment tools, a multimedia skills dashboard and a manual. Common operational guidelines to implement the NFIL INNOVATIVE MECHANISM.
