AAL Call-2018 Webinar

Welcome to this FVG Information Webinar !

- ❑ Many thanks to FVG for organising this Webinar and allowing us to share this event together.
- ❑ We believe Digital solutions for ageing well and markets around them are key in our sector.
 - ✓ It is about personal empowerment satisfying needs of care but also about satisfying wishes and leisure and together with the improvement of the European and FVG competitiveness.
 - ✓ AAL Programme started in 2008 – 10 calls for proposals launched so far, 220 funded projects, more than 2000 beneficiaries funded, AAL community consolidated through Europe over the years
 - ✓ Instruments other than call for proposals available: AAL2Business, Challenge Prize, Market Observatory, annual Forum and many others ...

AAL Call-2018 Webinar

- ❑ The AAL Programme has launched a new call for proposals on **“Smart Solutions for Ageing well”**.
- ❑ The agenda of today envisages the presentation of the AAL_Call-2018 and our AAL Programme, together with an introduction to the modalities to get funding.
- ✓ I hope your potential questions will be answered through the presentations.
- ✓ You are invited to have a look to the presentations done in the occasion of the central European Info day that took place in Brussels last January 31st (all the videos and presentations are online) - <http://www.aal-europe.eu/replay-the-info-day-2018/>

And finally, do not forget that today is for you

- ☐ This event has been shaped by the FVG together with the AAL Association for you to learn and get ready to submit a successful proposal in the AAL Call-2018.
- ☐ Make the most of our AAL CMU team in Brussels and of the Contact Points in FVG, due also to the possibility, this year, to submit two different types of projects (Collaborative and Small Collaborative Projects).
- ☐ We are interested in your feedback so as we can always improve our work and your experience for the benefit of the AAL ecosystem and our older persons.
